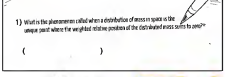
SUDDEN EXAM

#1

How does they put an exam out of nowhere.
PHYSICAL ED. MID-TERM EXAM
Class Number Name
Well, at least it's physical ed. I'm pretty confident about it.

1) What is the phenomenon called when a distribution of mass in space is the unique point where the weighted relative positions of the distributed mass sums to zero?*
( )

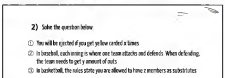


HAND
FOOT
SCRATCH SCRATCH
Die, pass me..
Center of Gravity
Distribution of mass in space is the unique point where the weighted relative position of the distributed mass sums to zero.

*Screw this, copying wikipedia

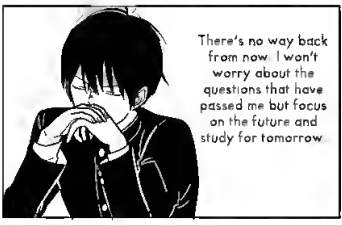
#2

2) Solve the question below
① You will be ejected if you get yellow carded 4 times
② In basketball, each inning is where one team attacks and defends. When defending, the team needs to get 5 amount of outs
③ In basketball, the rules state you are allowed to have 2 members as substitutes



TN: answer is 3, btw

#3



There's no way back from now. I won't worry about the questions that have passed me but focus on the future and study for tomorrow.
Okay, the final question!

Bonus Question: What is the name of the gym teacher standing in front of you?

( )

Bonus Question: What is the name of the gym teacher standing in front of you?
